

We Meet Your Needs,  
Solve Your Problems

# Oil & Gas Pressure Vessels

Manchester Tank is a pressure vessel fabricator specializing in low-pressure, standard in-stock vessels with modular "plug & play" capabilities

1000 Corporate Centre Drive ▪ Franklin, TN 37067

P: 800.399.5628 ▪ sales@mantank.com ▪ www.mantank.com

# WE KEEP THE FOLLOWING PRODUCTS IN STOCK

## 3-Phase Pump Gas Separators

### Horizontal

Part #	Description
309697	18" x 48" S/S x 125 PSIG, 450F ASME
309698	24" x 48" S/S x 125 PSIG, 450F ASME
309706	42" x 10' S/S x 125 PSIG, 250F ASME

### Vertical

Part #	Description
309713	30" x 7'6" S/S x 125 PSIG, 250F ASME
309712	36" x 7'6" S/S x 125 PSIG, 250F ASME
309711	36" x 10' S/S x 125 PSIG, 250F ASME

## 3-Phase LP Gas Separators

### Horizontal

Part #	Description
309702	24" x 10' S/S x 250 PSIG, 130F ASME
309703	30" x 10' S/S x 250 PSIG, 130F ASME
309704	36" x 10' S/S x 250 PSIG, 130F ASME
309764	48" x 10' S/S x 250 PSIG, 130F ASME

### Vertical

Part #	Description
309699	24" x 10' S/S x 250 PSIG, 230F ASME
309700	30" x 10' S/S x 250 PSIG, 230F ASME
309701	36" x 10' S/S x 250 PSIG, 230F ASME
309765	48" x 10' S/S x 250 PSIG, 230F ASME

## Vertical Gas Scrubbers

Part #	Description
301301	10" x 25", 250 PSIG ASME
309811	12" x 36", 250 PSIG ASME
309801	16" x 54", 250 PSIG ASME

Manchester also provides custom pressure vessels to meet your needs. Contact customer service for a quote.
